

Wm. Rick, Sr., of Tinley Park Fatally Hurt By Falling Tree

Tinley Park and surrounding territory was greatly shocked last Friday over the terrible accident which ended in the death of Wm. Rick, Sr.

Mr. Rick was felling a tree on his farm and in some unaccountable manner the tree fell on him, causing fatal injuries.

Mrs. Edmond Moss, a neighbor was the last person who saw Mr. Rick alive. He was working on the tree when Mrs. Moss drove by in her car to Tinley Park to get her children from school. She stopped and talked with Mr. Rick, saying she would like to see the tree fall. Mr. Rick said it would be some time yet before he would have the tree chopped thru, so Mrs. Moss proceeded to Tinley Park. She stopped at the Tinley school, picked up her children and the school teachers and drove the latter to Oak Forest and then proceeded to her home. On reaching the spot where she had spoken to Mr. Rick about an hour before, she noticed Mr. Rick's team of horses standing there alone. Glancing to the spot where the tree had stood she saw a blue object lying on the ground and upon investigating she was horrified to find Mr. Rick lying along side the tree in a semi unconscious condition. When she spoke to him he feebly raised his hand but could not speak. Mrs. Moss hurried home and called upon the J. C. Funk store at Tinley and told what had happened.

A large crowd of men and Dr. Eckstadt hurried to the scene. It was found upon examination that Mr. Rick had suffered a bad cut on the head and one leg was found broken in two places. Mr. Rick was hurried to the St. Francis hospital at Blue Island where he died late that night without gaining consciousness.

No one witnessed the accident, but the supposition is that the tree in falling caught Mr. Rick before he had a chance to dodge it. The heartfelt sympathy of the community goes out to the widow and children in their hour of awful and tragic bereavement.

Mr. Rick was a resident of this vicinity for many years. He was 62 years old. He is survived by his widow, one son and one daughter. Funeral services were held on Monday afternoon from the late home. Burial in the Smith cemetery.

Mrs. Rick is going to leave the farm which she is offering for rent. She will sell the farm stock and household goods at auction on February 8. Mrs. Rick also wishes to say that anyone having bills against her late husband or who may be owing him, to please send them to her just as soon as possible so they can be adjusted.

Minstrel Show A Big Success

The St. Mary Hall at Mokena was the scene of a merry gathering last Saturday night when a real black face minstrel show was staged by bevy of 26 pretty girls from St. Viator's Church in Chicago. The young ladies were talented as well as pretty and gave a very creditable program which was much enjoyed by a large attendance. The songs were right up to the minute and full of pep.

The "Frisco" and "Charleston" dances were cleverly executed.

The girls were a little hard on poor Mokena when they cracked jokes about its sleepiness. All right tho. We hope to see them again in the near future.

Europe on the Air Next Week

An American d-x contest which will be participated in by broadcasting stations in every state in the union as well as by Canadian and Mexican stations, will be one of the features of International Radio Week, January 24th to 30th, according to announcement by officials of the committee who have charge of the movement.

The first five nights of the week will be devoted to International Radio Broadcasting Tests, American stations transmitting special programs to overseas listeners during the hours from nine to ten central standard time; while American listeners will hear special programs from overseas stations in the hours from ten to eleven central standard time while American, Canadian and Mexican stations remain silent.

On Friday, January 29, at the customary silent hour a variation in the plan of broadcasting will be made and instead of listening to broadcasters in Europe, radio fans in the country will hear for the first fifteen minutes of the silent hour broadcasting stations in the Eastern standard time zone. Promptly at the conclusion of the first fifteen minutes of the silent hour, the eastern time zone stations will be silent, and broadcasters in the central standard time zone will be heard on the air while stations in all other districts remain silent. The third fifteen minute period of the hour will be devoted to stations in the Mountain standard time zone, while the last fifteen minutes of the silent hour will be reserved for Pacific Coast stations who expect to reach listeners in every state in the union with hundreds of thousands of fans glued to the earpieces.

On Saturday, January 30th, another variation of the d-x contest will be arranged, and after the conclusion of the hour broadcast from all American stations for the benefit of overseas listeners, broadcasting stations in Canada will have the air exclusively to themselves ruling the first 15 minutes of the silent hour. Sixteen minutes after the silent hour has begun, broadcasters in the northern half of the United States will take up the broadcasting while the Canadian stations shut down for the remaining 45 minutes of the test hour. The third quarter of the hour will be devoted to stations in the southern half of the United States while the last quarter of the silent hour bring Mexican and Cuban stations on the air to entertain listeners throughout the entire American Continent.

Special programs are planned by broadcasters who will participate in these North American Continent tests, programs that will permit of the frequent announcement of call letters so the fan can rapidly log the d-x stations that will possibly be coming into his receiver for the first time.

Mokena Fire Dept. Masque Ball Feb. 3

Are your feet itching to dance? Well, if not, they should, for you know the Mokena Vol. Fire Dept., is going to put on a real hum dinger of a Masquerade at the St. Mary Hall, Mokena on Wednesday night, February 3rd. Plenty of good music and a big time for all. Masks will be for rent at Sippel Store up to Feb. 3rd and on that evening will be for rent at the hall. The proceeds of his dance will be used by the Fire Laddies to purchase a much needed fire siren for Mokena, for at present, there is no fire alarm of any kind in use.

Much credit is due to the Fire Laddies for their fine spirit of progress and we hope it will be infectious and spread as it is so much needed in Mokena.

The attendance was above par.

We regret to learn that the parties boring for oil, southwest of Worth, have abandoned the project, packing up their machinery and moving elsewhere. Thus one more prospect off the list of improvements.

THEODORE ROOSEVELT'S REASONS WHY A MAN SHOULD GO TO CHURCH

1. In this actual world, a churchless community a community where men have abandoned and scoffed at or ignored their religious needs, is a community on the rapid down grade.
2. Church and church attendance mean the cultivation of the habit of feeling responsibility for others.
3. There are enough holidays for

most of us. Sundays differ from other holidays in the fact that there are fifty-two of them every year. Therefore, on Sundays go to church.

4. Yes, I know all the excuses. I know that one can worship the Creator in a grove of trees, or by a running brook, or in a man's own house as well as in church. But I also know, as a matter of cold fact, that the average man does not thus worship.

5. He may not hear a good sermon at church. He will hear a sermon by a good man, who, with his wife, is engaged all of the week in making hard lives a little easier.

6. He will listen to and take part in reading some beautiful pas-

sages from the Bible. And if he is not familiar with the Bible he has suffered a loss.

7. He will take part in the singing of some good hymns.

8. He will meet and nod or speak to good, quiet neighbors. He will come away feeling a little more charitable toward all the world, even toward those excessively foolish young men who regard church-going as a soft performance.

9. I advocate a man's joining in church work for the sake of showing his faith by his works.

St. Michael's Church announces a Card and Bunco party for the evening of January 30th. A five dollar gold piece, as a door prize, is among the many fine awards to be given.

The International Eucharistic Congress, to be held in Chicago in June, and to which every Catholic Diocese in the world will send a representative, has been formally announced from the pulpit. This Congress as its name suggests, is for the purpose of publicly honoring the Holy Eucharist. One Sunday has been selected on which it is expected that one million Catholics will receive the Blessed Sacrament. A meeting was called after the 8:30 o'clock Mass, Sunday, for the purpose of discussing plans for the Minstrel Show which is to be presented in the near future, by a Morgan Park Choir, for the benefit of the Orland Catholic Church.

St. Michael's parishioners, thru the instigation of their pastor, Rev. E. J. Zur Linden, S. J., and the instrumentality of The Prairie Farmer, are hoping to recover a part of the loss sustained by the installing of a most unsatisfactory oil burner. The pipeless furnace which replaced the oil burner has given perfect satisfaction.

ORLAND M. E. CHURCH NOTES

Elmer L. Setterlund, Pastor

Friday January 29th, the moving picture is the famous Paramount production, "When Knighthood Was in Flower", featuring Marion Davies. This is a 10 reel picture.

Sunday January 31. Bible School at 9:30. Our Bible classes are growing—the total attendance is going over the 100 mark. But there is still room. Are you identified with a Bible school in your community? If not, we welcome you. The pastor personally invites adults to attend his Adult Bible Class. Live discussions on live topics every Sunday morning. U R invited.

Evening service at 7:30. The moving picture is a Bible dramatization of the theme, "The Lord Will Provide". This is a story film. Do not miss it.

The moving picture for Sunday evening February 7th, is a patriotic one, "George Washington". February is the month of Lincoln and Washington—we aim to make the evening in keeping with this point of view.

Watch for further announcements of our Sunday evening movies.

Sunday afternoon at 3 o'clock January 31st, the second Intercommunity Church Conference will be held at the Presbyterian church at Palos Park, to make further plans for the Intercommunity Training School to be held beginning Tuesday evening May 4th at Orland.

Last Sunday evening the speaker was the friend of the pastor, Mr. A. W. Lind of Seattle, Washington. He spoke in a most interesting manner of a mountain climbing incident in the big "hills" of Washington and drew an appropriate lesson from the same. Mr. Lind was the Sunday night guest at the Methodist parsonage.

On Tuesday evening January 12, the Adult Bible Class of the M. E. Sunday School held an oyster supper and social in the church basement. There was an attendance of 28. Everyone reported a good time and the oysters were well received by the majority in attendance. The next monthly meeting will be held at the home of Mrs. Betsy Austin.

Albert Loebe, who is ill remains about the same.

Elven Jungles, son of Mr. and Mrs. Clarence Jungles who has been ill with Flu and double pneumonia is improving nicely. He is under the care of Dr. Ludwig of Lemont and Grandmother Steffen of Orland.

Miss Evelyn Hansen is gradually improving, but is still confined to the home.

Mr. John Loebe is improving, but is unable to participate in business affairs which are being handled by his son Stuart Loebe, assisted by others.

Rev. and Mrs. E. L. Setterlund and family and Miss Clara Myrick were Sunday guests at the Wm. Beagley home.

When Jesus Speaks Your Name

By REV. H. OSTROM, D. D.
Extension Department, Moody Bible Institute, Chicago.

TEXT—She supposing him to be the gardener.—John 20:15.

A weeping woman was asked twice within a short time why she was weeping. She may not have seen very clearly nor have heard very well. Does not a weeping person ask again and again, "What did you say?" Mary tells the reason for her tears—"They have taken away my Lord." For the time being she has lost her Lord. But

Henry Ostrom, D.D.

one speaks to her, calling her by name, and forthwith she answers, "Rabboni," "Master." Lo, he whom, she, blinded with tears, had supposed was the gardener, is really her risen Lord. In English her response means "Teacher," and what a lesson is here taught. She learns that Jesus, although coming in lowliness and without "comeliness," is Lord over death. He had raised others from death. He had said plainly, "I am the resurrection and the life." He had repeated more than once his authoritative statement that He would Himself rise from the dead. Now Mary learns something of what it means to live on this side of Calvary. He whom she had mistaken for a servant of Joseph of Arimathea is really the conqueror of this enemy called death. In the sepulcher now there is light, perpetual light piercing the darkness of death. Mary has been taught that Jesus, although His body had lain in the sepulcher, has made good His promises. How well she believed in His promise that He would rise again must be seen in her conduct at the time rather than in any direct statement. She had referred to the "third day," and she was there at the sepulcher looking for Him. Whatever her attitude, Jesus had done as He said He would do. He always does so. His promises may to men seem impossible of fulfillment, "exceeding great and precious promises" but not so much as one falls. And if one had ever failed, then how swiftly would sinful man proceed to doubt them all. It is enough to be assured that He has promised. "That the promise might be a-sure" is the guarantee. No uncertainty may be indulged. Nor sepulcher, nor hours, nor days, nor centuries of time have yet sufficed to cast a shadow of uncertainty over one word of His promises. The third day or the third millennium, it matters not, He neither subtracts from the covenant nor forgets its minutest terms. Well was it for Mary that she started the new day right where the fulfilled promise met her.

Mary has been further taught that when He calls the name, His voice assures what weeping eyes and sobbed hearing cannot discover. We hear of the musical voice, the soothing voice "softer than silence." But who could describe the quality of Jesus' voice? And He is calling her (as all the other dear ones) by her name—MARY.

How precious His voice! We hear of the "precious promises" and the "precious blood of Christ." His voice is precious amid the common tones, the jargon sounds. Its melody is heard by the one who "listens in" and hears the voice of God speaking in His holy Word. We never realize the music of the heavenly call until we make it personal. It is the Lord's way to be personal. He singles blind Bartimeus out of the crowd; and among the thousand in Jerusalem His voice calls that one who is at the place in the early morning. So it is today. There is the crowd, but thou, oh man, art the called one. The best is offered thee. Grace for thy sorrows and sins. Has He been to thee common as a gardener? Oh, accept and call Him Lord, Lord for thyself. Nor do I exaggerate by saying this. Does He not call "them all by their names"? It is all personal. Once you have heard Him you will know it.

Don't Blame God!

It has been well said that no man ever sank under the burden of the day. It is when tomorrow's burden is added to the burden of today, that the weight is more than a man can bear. Never load yourselves so, my friends. If you find yourselves so loaded, at least remember this: It is your doing, not God's. He begs you to leave the future to Him, and mind the present. What more or what else could He do to take the burden off you?—George MacDonald.

The Human Love of Jesus

Heavenly Beatitude

JESUS AND THE SAMARITAN WOMAN

LESSON TEXT—John 4:4-42.
GOLDEN TEXT—With joy shall ye draw water out of the wells of salvation.—Isa. 12:3.

PRIMARY TOPIC—Jesus by the Well.
JUNIOR TOPIC—Jesus by Jacob's Well.

INTERMEDIATE AND SENIOR TOPIC—A Sinful Woman Finds the Savior.
YOUNG PEOPLE AND ADULT TOPIC—How Jesus Deals With Sinners.

I. Jesus Must Needs Go Through Samaria (vv. 4-6).

The growing popularity of Jesus aroused the envious opposition of the Pharisees, which obliged Him to leave Judea and go into Samaria. There was another way to reach Galilee, one used by many Jews to avoid contact with the despised Samaritans, on the eastern side of the Jordan. He must "needs go through Samaria" in order to find this poor sinful woman and the needy citizens of Sychar. The great necessity which was upon Him was to seek and to save that which was lost (Luke 19:26).

II. Jesus' Testimony to the Woman (vv. 7-26).

This is a fine example of personal evangelism.

1. A Favor Asked (vv. 7-9).

Jesus tactfully made a request which appealed to the woman's sympathy. Not only did the thirst of the weary traveler appeal to her, but the fact that He being a Jew asked a favor of her, showed His sympathy for her. In introducing the conversation, He referred to that which was uppermost in her mind, namely, water. This was the teacher's point of contact. He soon passed from earthly water to the water of everlasting life which was in Himself. Every human mind has a handle. Our success as Christian workers depends upon our ability to grasp and use it.

2. Jesus' Tender Dealing With This Woman (vv. 10-15).

He first appealed to her curiosity by declaring, "If thou knewest the gift of God" (v. 10). He knew the deep unrest of the soul of the sinful woman as she went on her way. He knew if she really knew Him she would believe on Him and be saved from her sins, therefore the first thing was to get attention. When we can get one to give attention to the claims of Christ, there is good chance of winning him. He followed this appeal to her curiosity by a promise which directed her attention to her deepest needs. There is a consciousness of deep need in every soul. The deepest need of a soul Jesus only can satisfy.

3. The Woman Convicted of Her Sins (vv. 15-19).

Jesus succeeded in arousing her interest, but she did not really understand Him. Before she could understand what the Water of Life is, she must be convicted of her sin. She did not agree with Him, but became a humble inquirer. The soul must be convicted of sin before it can be converted.

4. The Problem of Worship Submitted to Christ (vv. 20-24).

This she did as soon as she perceived Him to be a prophet. Jesus knowing the inner life of this woman, told her of the glad time even then present when true worshipers could hold intercourse with God anywhere. He showed her that the place of worship is unimportant, that the all-important thing is to have the true conception of God as brought through the Jews. Since worship is spiritual, only those who have been regenerated can worship God in spirit.

5. The Woman of Samaria Witnessing for Christ (vv. 27-39).

The woman left her water pot and returning to the city said, "Come, see a man which told me all things that ever I did. Is not this the Christ?" As soon as she was converted she became an enthusiastic missionary. This is as it ought to be and always will be. The soul that realizes Jesus cannot be silent (John 1:41-45). The result of her testimony was that many believed on Jesus.

III. Jesus Testifying to the Citizens of Sychar (vv. 40, 41).

The woman's testimony brought the request from the Samaritans that Jesus tarry with them. He abode with them two days. Though they heard the woman's testimony, they believed because of Christ's own word (v. 41).

IV. The Samaritans Witnessing for Christ (v. 42).

They declared, "We know that this is indeed the Christ, the Savior of the world." They confessed to the woman that their belief was not due to her testimony but to having heard Him themselves, that they were sure that He was the Messiah.

Sincerity Among Friends

Generally speaking, among sensible persons, it would seem that a rich man deems that friend a sincere one who does not want to borrow his money, while among the less favored with fortune's gifts, the sincere friend is generally esteemed to be the individual who is ready to lend it.—Disraeli.

Build your body back to Health

Tanlac is a great natural builder. It revitalizes the blood, stimulates the digestive organs, rejuvenates the liver and pepes you up all over.

From the four corners of the earth we gather the roots, barks and herbs that go into Tanlac. We compound them after the famous Tanlac formula that has brought health to millions.

Our files are crammed with testimonials from men and women in every walk of life, who state gratefully that Tanlac has brought them back to vigorous strength.

If you suffer from indigestion, loss of appetite, can't sleep or rest; if rheumatism is making life a torture; if your liver is out of sorts and your body has run down to skin and bones, get a bottle of Tanlac at your druggist's and start taking it right away.

You'll be amazed to note the improvement that comes at once. For the first time in months you'll feel like eating some good solid food. You'll wake up in the morning rested and refreshed, ready for a good day's work. First thing you know you'll have some color in your cheeks and the sparkle of health back in your eyes.

Don't delay taking Tanlac. Begin

Was So Nervous Could Not Sleep

"When I began taking Tanlac I was completely run-down; suffering from indigestion, headaches, dizziness, bad nerves, heart palpitation and pains across my back. But now I eat and sleep like a child and feel fine in every way. I believe Tanlac will help anyone troubled as I was."

A foolish woman believes everything her husband tells her, a wise woman merely pretends to.

This woman's experience is typical of thousands. Ask any physician.

"And to think I was poisoning my own Baby!"

"I couldn't see why he didn't gain. I never dreamed that my constipation was responsible until the doctor told me.

"He explained that faulty or slow elimination of waste matter allowed poisons to form and be absorbed by the blood—and this meant tainted milk for baby.

"He prescribed the Nujol treatment and it made a world of difference to both of us. Now that I know how dangerous constipation is and how easily it can be prevented, I am never going to allow myself to get into that bad condition again."

Mothers are the best friends of Nujol. When precious new lives are at stake they seek the remedy that medical author-

ities approve because it is so safe, gentle and natural in its action. Constipation is dangerous for anybody. Nujol is safe for everybody. It does not affect the stomach and is not absorbed by the body.

Nujol helps in Nature's own way

Nujol simply makes up for a deficiency—temporary or chronic—in the supply of natural lubricant in the intestines. It softens the waste matter and thus permits thorough and regular elimination, without overtaxing the intestinal muscles.

Nujol can be taken for any length of time without ill effects. To insure internal cleanliness, it should be taken regularly in accordance with the directions on each bottle. Unlike laxatives, it does not form a habit and can be discontinued at any time.

Mr. Gibbons has given up his business at the Southwest corner 111th and Ridgeland Avenue.

Mr. Stalnacker is back on the job where his many friends can now have the pleasure of meeting him again. S. W. corner 111th and Ridgeland Ave.

Gust Wilde is still on the sick list.

The Firemen of Worth, are thinking strongly of putting on another dance.

Mrs. Foyle has returned from St. Luke's hospital, improved.

Mrs. Perry, who has been confined to her home as a result of a sprained wrist, is now convalescing. Mrs. Rosenbaum is still on the sick list and not able to be up.

Rev. Mr. Sanders, pastor of the Worth Methodist church, Mr. Perry Bishop together with I. N. Empe, ex-village clerk of Worth were pleasant callers at the News-Bulletin office on Monday. They felt safe in the hands of the later being the chauffeur, who drove only 25 miles an hour! Come again.

TINLEY PARK

The annual masquerade ball of the Tinley Park Volunteer Fire Department held last Saturday at the Saenger Hall was a record breaker for attendance, 610 dance tickets being sold. The check room was crowded beyond capacity and even dancing space in the big hall was at a premium. This is said to have been the most successful dance the firemen have ever held. People were present from all over this section and surrounding towns.

The firemen are going to use the proceeds with which to purchase a new and larger fire siren for the village, the present siren being too small for the needs of the town. Mr. Uzemack who recently opened a blacksmith shop is reporting a good patronage.

The next big event at the Saenger hall will be a bell novelty hop to be held Saturday night of this week. The Bunco club assisted in celebrating Mrs. Henry Hick's birthday last Friday.

CARD OF THANKS

We wish to express our thanks to our many friends, neighbors and especially our relatives for sympathy and kindness in helping us in so many ways in our late bereavement in the unexpected and full death of our beloved husband and father. We wish to thank all those who sang at the funeral services, and those who donated the use of their cars and especially for the many beautiful flowers.

MARLEY

Marley is all on tip toe as to what the coming summer holds in store for it. Over 2,000 acres of land are under option now and a number of big real estate deals are about to be closed, it is said.

John Handorf and daughter, Miss Minnie left for Florida the latter part of the week. They expect to remain there for several months.

A moving picture program will be held at the Marley Community church on next Friday night.

OAK LAWN

Oak Lawn Public School Notes—The P. T. A. gave a bunco and 500 party at the school last Wednesday evening. A fine time was had and prizes were awarded. The proceeds go for the benefit of the school.

Miss Kissel, teacher of room 5, is ill and Mrs. Exter is substituting for her. Clara Hoffman, 8th grade pupil is very ill in St. Francis hospital in Blue Island. Her room remembered her with flowers.

The school extends their sympathy to Arthur and Frank Lee in the loss of their dear Mother. Rooms 1 and 4 attended the funeral in a body, carrying a floral piece as a token of their love.

The babies who won in the recent contest are, Virginia Jane, daughter of Mr. and Mrs. Sanford Hedrick of 9607 Tully Ave., first prize. Her defects were a temporary eruption on chest, 1/4 lb overweight, not vaccinated.

The second prize went to little Ruth Hopkins, who is the daughter of Mr. and Mrs. Herbert Hopkins of 95th and Cook Avenue. Her defects were one pound overweight, a naval Hernia, which would last only a couple of months, and was not vaccinated.

The third prize went to Francis Brandt, the son of Mr. and Mrs. Frank Brandt, of 94th and Sprout Avenue. His defects were 3 1/2 ounces underweight, and had a Phimosia Adherent.

Seventeen babies were entered in the contest and the judges were Miss O'Connor, Dr. Earl Pronger, Miss Koelle, Miss Kussel, Miss Phillips, and Mrs. Kretton. The welfare room was all dolled up for the occasion with fairy story characters. Mrs. Nick Schmalen furnished the table and table cover, Mrs. Frank O'Brien had all the laundry done up, and the P. T. A. scrubbed up the floor.

Miss O'Connor who is in charge of the Welfare Station, was very much pleased with the co-operation that she has received from all sides.

Miss Vera Reik has just returned from the German Deaconess Hospital and is feeling fine and asks for all her friends to come and see her as she is not able to be out for awhile and would like to have company twentyfour hours a day.

Rev. Brockhaus who was hit by a freight train a few days ago and was taken to the Lakeside Hospital, is now back home and feeling fairly well which we are all glad to hear.

Miss Clara Hossman, who has been ill for some time, is improving and probably will be back in school before long, at least we hope so.

(Miss Reba Elvidge is back at work again and Master Robert Exter is back on the street, so we think that Oak Lawn is finished with the past epidemic.

Mr. and Mrs. Charles Wilde, of Oak Lawn, now have a young lady in their family. The young lady arrived on Sunday evening, January 17, 1926. Congratulations.

Mr. and Mrs. R. L. Winnans also have a young lady in their family born January 12th. This is girls banner year, last year they were all boys but now the girls have a chance. That the men are not gentlemen, they make the ladies wait. But congratulations anyway.

Oak Lawn is getting in new cables from the Illinois Bell Telephone Company. Everyone who wants a telephone, can now have one and Oak Lawn will have its own switch board. This will surely be an aid as Oak Lawn is growing, and the Beverly exchange is too busy to give us proper service.

Mr. and Mrs. Edward Weert, of Chicago, were the guests of their parents Mr. and Mrs. John Smiede Sunday.

Mrs. Mike Sklom and Miss Margaret Thures, spent the day in Chicago shopping, Tuesday of last week.
